CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

PSYCHIATRY - GERIATRIC PSYCHIATRY

Cambridge Health Alliance offers mental health and counseling services for adults aged 60 and over through our Harvard-affiliated Department of Psychiatry. These services can help older adults deal with common issues such as depression, and changes in behavior or mental status.

Our offices are based at the Central Street Health Center in Somerville, but we also offer a home visiting program. Depending on your needs, the service may include one-on-one counseling, family therapy, or group treatment.

To find out more about these services for seniors, call our mental health referral line at (617) 591-6033.
