CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

SOCIAL WORK

Licensed clinical social workers in the Department of Psychiatry offer comprehensive mental health services designed to evaluate and treat people with medical and psychological problems, developmental impairments, learning, emotional or behavioral disorders, and/or addiction concerns.

Social workers help patients in many settings including psychiatry, behavioral medicine and individual or group psychotherapy, as well as specialty programs according to patient age, language and clinical need.
