CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance

A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

CARDIOLOGY (HEART DISEASE)

The Division of Cardiology provides a full array of noninvasive testing procedures for heart disease on site including state-of-the-art cardiac ultrasound.

Invasive services are performed by our cardiologists in collaboration with Mount Auburn Hospital. The Cambridge/Somerville team consists of three cardiologists with extensive experience and the ability to care for adult patients of all ages; all members are board-certified in Internal Medicine and Cardiovascular Disease and two have additional certifications in Critical Care Medicine and Geriatrics.

Non-invasive Services:

Stress testing

by treadmill, pharmacologic stimulation and using associated cardiac imaging where appropriate

Echocardiography services

trans-thoracic, trans-esophageal, with or without contrast

Holter monitoring

FAA and Canadian Civil Aviation medical examinations

Invasive Services (in conjunction with Mount Auburn Hospital):

Cardiac catheterization

Percutaneous angioplasty (PTCA)

Implantation and follow-up of Cardiac Pacemakers, Implantable Loop Recorders, and Cardioverter-Defibrillators (ICD)

Whidden cardiology services are provided by a variety of specialists on the Whidden medical staff. Several providers have outpatient sessions at Alliance sites in Everett and Revere.
