

Provider Directory

CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

EMERGENCY MEDICINE

The Department of Emergency Medicine operates 24-hour emergency facilities at The Cambridge, Somerville and Whidden Hospital campuses.

Emergency Medicine is a vital component of our care, providing efficient acute services while maintaining strong linkages with primary care. When an Alliance patient is seen in the ED, their primary care provider is sent a copy of their emergency treatment records the following day. Patients without a primary care provider are given information about our providers and encouraged to contact a physician in a primary care site near their home.

Clinical responsibilities include the evaluation, resuscitation and stabilization of patients who present with acute illness or injury.

Pediatric emergency care is available at all three campuses with Cambridge offering a special pediatric track with 4 emergency exam rooms designated for pediatric patients.

Each campus also offers daily Express Care service, which improves efficiency by providing a special track for less severe cases.

Services:

- 24 hour acute emergency services at all three campuses
- 24 hour pediatrician coverage and 4 pediatric exam rooms at the Cambridge campus
- Express Care Service daily at The Cambridge, Somerville and Whidden Memorial Hospitals
