CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

ENDOCRINOLOGY (DIABETES)

The Division of Endocrinology provides diagnosis and treatment of hormonal disorders including Diabetes and Thyroid problems.

Cambridge Health Alliance's Diabetes Management program is recognized by the American Diabetes Association and employs certified diabetes educators, nursing and nutritional support services.

Services:

thyroid fine needle aspiration

endocrine testing

radioactive iodine therapy

management of diabetes and other hormonal disorders

Endocrinology services are available in the Whidden geography by three affiliated specialists who are on the Whidden Medical Staff.

The Department of Pediatrics offers a pediatric endocrinology clinic twice per month at Cambridge Pediatrics.
