CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

NEPHROLOGY (KIDNEY DISEASE)

The Division of Nephrology treats kidney and liver disorders. The Cambridge/Somerville team is comprised of two specialists and is administered in partnership with Mount Auburn Hospital. Inpatient nephrology consultations and treatments are provided at The Cambridge Hospital. Outpatient services are available biweekly at The Cambridge Hospital.

There are also providers on the Whidden Medical Staff who offer nephrology services for patients in that geography.

Services:

- Inpatient and Outpatient consultation
- Review of urine slides to determine the existence of a variety of renal disorders
