CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

PATHOLOGY

Cambridge Health Alliance has comprehensive Laboratory Services accredited by JCAHO and the College of American Pathologists. The Alliance operates a full service laboratory at the Cambridge Hospital campus and limited service laboratories at the Somerville and Whidden Hospital campuses.

There are also three outpatient phlebotomy stations and 30 Ancillary Lab Sites located throughout the campuses and within the primary care practices.

We have an outstanding lab team including several full and part time Board Certified pathologists on contract from Mass General Hospital.

Our Services:

The Laboratory is divided into the following departments, which are open for service according to the following schedule:

Cambridge Lab

- Chemistry (Routine, Therapeutic Drug Monitoring, Drugs of Abuse Screens, Blood Gases, Lead Testing, Thyroid, Endocrinology, Urinalysis)
- Cytology/Histology
- Diagnostic Immunology (Electrophoresis, Immunology, Serology Testing) Hematology (Routine, Coagulation)
- Microbiology (Routine, Parasitology, Limited Mycology, Limited Mycobacteriology, Chlamydia Antigen Testing, Urinalysis)
- Outpatient Phlebotomy
- Lab Reception (Clinical Lab Client Services, Specimen Receiving, Reference Lab Test Reports, Patient Reports)
- Transfusion Services
- Client Services (general clerical support for the clinical laboratory)
