CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance  
**A COMMUNITY OF CARING**

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

**VASCULAR SURGERY**

## Vascular &amp; Endovascular Surgery

The Alliance has built a top Vascular Surgery team that offers advanced care for all types of vascular disease. Under the leadership of Dr. Moon Kwoun, the Alliance has recruited new surgeons with endovascular skills and has built a new endovascular suite with state-of-the-art imaging equipment.

Our vascular team has unique skills in the treatment of carotid artery disease, abdominal aortic aneurysms, and peripheral vascular disease.

## Our Services:

Carotid Artery Disease Screening and Treatment

Endovascular Treatment of Peripheral Vascular Disease (PVD)

Endovascular Treatment of Abdominal Aortic Aneurysms (AAA)

Removal of Varicose Veins

Treatment of Leg Ulcers

Vein Grafts

Therapeutic Catheter Insertion

Treatment for the full range of vascular disease

Endovascular surgery occurs when the doctor performs the procedure inside the blood vessel using a small opening, typically in the leg, rather than the traditional open surgery. This technique damages less tissue, and allows for faster recovery times.

The Division is committed to early detection and high-quality patient care. We are also committed to the Healthy People 2010 goal of reducing the incidence of stroke by testing and treating patients with vascular disease.

**Moon O. Kwoun, MD**

*Chief of Vascular Surgery*

Cambridge campus  
 1493 Cambridge Street  
 Cambridge, MA 02139  
 617-665-2555
