CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

NEUROLOGY

The Division of Neurology provides consultative services for adults in all emergency, inpatient and ambulatory settings. Board-certified Neurologists cover the Cambridge, Somerville and Whidden hospital campuses.

Consultative sessions are available every weekday and a neurologist is on call for emergencies at all times. Appointments are made through the Multispecialty Practice Administrative Offices.

Services:

- Neurodiagnostic testing in the form of EEG (electroencephalography, brain wave)
- Neuroimaging by CT (computerized tomography) and MRI (magnetic resonance imaging)
- Basic electrophysiologic testing (EMG, NCV -
- Electromyography and nerve conduction velocity tests)
- Carotid ultrasound (Doppler) testing
- Multiple sclerosis support group that meets monthly
- Women's headache clinic.

Outpatient services are also provided by neurologists at Whidden. There are currently five neurologists on Whidden Medical Staff. EMGs are available at Whidden Memorial Hospital on an as-needed basis.
