CAMBRIDGE HEALTH ALLIANCE

Our mission is to improve the health of our communities.

Cambridge Health Alliance
A COMMUNITY OF CARING

Cambridge Health Alliance includes The Cambridge Hospital, Somerville Hospital, Whidden Memorial Hospital, and more than 20 primary care sites.

HOSPITALIST

The CHA hospitalist service is a group of full and part-time providers who care for medical inpatients at our three hospital campuses.

Hospitalists are physicians, nurse-practitioners, and physician assistants from the fields of internal medicine, family medicine, or medicine-pediatrics.

They have expertise in managing the inpatient treatment of medical patients, providing medical consults to inpatient psychiatry and specialty services, and responding to acute patient health needs while in the hospital.
